COST OF SNOW REMOVAL REACHES \$80,000 MARK

WHEN WINTER COMES — Finding typical scenes of what Arlington looked like Sunday morning under a new blanket of snow was a cinch for Colby Burnham, NEWS photographer. There was snow all around him. (Left panel) Mrs. C. C. Burnham, like many other housewives, lends a helping hand digging out the driveway. Snowbanks along driveways, as shown at left, are typical sights in Arlington. (Center) Snow-covered home on Draper ave. (Right panel) That object in the foreground, just in case you don't recognize it, it a snow shovel in the driveway at the home of J. J. Murphy on Draper ave., waiting to give someone a workout.

\$15,000 More Is Appropriated

The December and January storms, which, according to James R. Smith, chairman of the Board of Public Works, have deposited a total of about 73 inches—or six feet—of snow in Arlington up to early this week, have cost the Town approximately \$80,000 thus far, the NEWS learned yesterday.

This amount will not all be reflected in the 1948 tax rate, however, since funds had been appropriated in 1947 for snow plowing and removal in December of last year. Actually, the cost of snow plowing and removal from Jan. 1 through Tuesday of this week totals \$49,761, according to Mr. Smith, which amount will affect the current year's tax rate. Saturday night's heavy storm of near blizzard proportions, which

WINTER PROOFING!

Right This Way...

WINTER weather on its way—
"Get well covered" is our say.
Ice and snow and sleet and hail—
Put some cars and trucks in jail.
Winds will blow and drifts will pile—
Take it all with a beaming smile.
Winter Proofing—is what we give
That trucks and cars may really live.
Engines tuned to a pleasant song
Bumpers tight, (and nothing wrong).

Brakes that never slip or pull,
Lights that beam with power—that's full.
Why not get yourself this cover—
Bodies clean and bright all over.
Go ahead and buck the breeze,
Your cooling has its anti-freeze.
Your pleasure will not easy spoil
For you have winter grease and oil.
Get this cover is what we say
You can get it right this way.

34 CANDIDATES WILL SEEK OFFICE

Thirty-four candidates will seek major town offices at the annual election on March 1 unless some of those already in the race decide to withdraw before the deadline on Feb. 3.

This became known Monday when the deadline for filing nomination papers was reached. One candidate, Thomas H. Welch for the Board of Public Works, did not have enough signatures, according to the town clerk's office, and therefore will not be in the campaign.

Four contests are assured. Running for Selectmen will be William C. Adams, seeking another term; Joseph A. Furell and Laurence A. Corcoran.

For the Board of Public Works, James R. Smith, present chairman; Herbert D. Stevens, George A. Harris, John L. Murphy and Richard L. Powers, Sr., filed their papers.

Two will contest for the three-year term on the Board of Assessors. They are Assessor Arthur W. Sampson and Henry E. Keenan.

Nine in School Contest

The School Committee contest will be wide open with a wealth of candidates. Seeking election to the three-year term on this board will be George A. Beardsley, John M. Stiff, James C. Doyle, Robert Donovan, Eleanor Strong, Brewster Ames, John Allison, James W. Kidder and Donald W. Horley. Three are to be elected.

Mr. Allison and Mr. Kidder are seeking re-election. Mrs. Katherine Lacey, a member of the board, will not run for re-election.

Many Seek Re-Election

Town Clerk, Earl A. Ryder and Town Treasurer, J. Wilbert Anderson are among the many present office holders who will have no opposition.

Others who filed papers, all of whom seek re-election, are: Charles E. Bowker, Planning Board.

Dr. Carl E. Barstow, Board of Health.

Harrie H. Dammun, Sinking Fund Commissioner.

SAVE GAS to SAVE OIL

WHY? Because OIL is used in making the GAS you use

At the request of the State Fuel Oil Coordinator, we ask our customers to SAVE GAS to SAVE OIL. Household gas is an enriched, scientifically - blended product, made from coal and oil. So, when you save gas, you save oil, too.

Right now, the fuel oil situation in New England is critical. In order that hospitals, schools and homes may have oil for even minimum requirements, it is vital that all of us conserve. To this end, we ask our customers, please, to be frugal in their use of GAS, until the present oil shortage is relieved.

IF YOU HEAT YOUR HOME WITH GAS

... set the thermostat at not over 68° in daytime
... turn thermostat back to 60° at night

Snow Removal

(Continued from Page One)

added still another 10 inches of snow, to say nothing of higher drifts, made Saturday and Sunday plowing operations necessary — at time-and-a-half and double time rates because of the Sabbath — sending its cost up to, roughly, \$10,000.

These figures were given by Mr. Smith after it had been disclosed that an emergency meeting of the Board of Selectmen and Finance Committee was held in the hearing room of the Robbins Town Hall Saturday afternoon at the request of the Board of Public Works, to provide additional funds for snow and ice removal for the balance of this month.

At that time, Chairman Smith reported that all available money for snow and ice removal had been exhausted because of the excessive amount of snow since Christmas week and that an estimated \$15,000 would be required to carry on this work for the balance of this month.

\$15,000 More Authorized

Acting under the authority of Chapter 5, Acts of 1948, emergency legislation passed by the State Legislature only the previous Wednesday, the Selectmen and Finance Committee authorized an additional expenditure of \$15,000 and a total amount not to exceed \$57,000 for snow and ice removal in January, if needed.

At the time of Saturday's meeting, it was brought out that December's expenditures for Highwayways totalled \$14,477 and for Snow and Ice Removal \$27,515, or a total of \$41,992.

From Jan. 1 to midnight Jan. 22, the total cost for snow and ice removal was estimated at \$39,354. These figures were submitted to the Selectmen and Finance Committee by the Board of Public Works.

Because the first heavy storm did not occur until Christmas week, a good part of the work during January was the direct result of the late-December storm. Adjacent communities have had to face a similar burden. A day-by-day check is being kept of the snow removal cost to keep it within bounds, as far as possible. Mr. Smith expressed satisfaction that much of the Town's heavy equipment, which he had recommended in the past, had performed most favorably during the extraordinarily heavy storms.

\$88,440 Spent in Brookline
According to yesterday's Boston Herald, "up to the recent storm, the town of Brookline had spent \$88,440 for snow clearance on 104 miles of roadway—a cost of about \$850 a mile."

Brookline is shoveling out less money for snow removal and getting better results than Boston, the Herald points out. Arlington has 104.04 miles of public and private streets open to travel, according to the latest printed town report, indicating that Arlington's cost of snow removal compares favorably with Brookline's.

Boston Sunday Post
to Introduce New
Features on Sunday

Marking the greatest expansion in its history, the Boston Post on this coming Sunday, Feb. 1, will introduce new and bigger features and carry its many already popular sections greatly enlarged. These additions will put New England's favorite Sunday newspaper in a top position among the greatest and most complete in the nation.

Included among the new additions, selected by the management after months of careful planning, are a nationally famous picture magazine with copiously illustrated articles of local, national, and international interest.

There will be a new and twice-as-big Boston Sunday Post Magazine, full of fiction, novels, articles, departments, and features of interest to the entire family, all with well-known Boston Post New England flavor. Besides, there will be twice as many comics with many new nationally known favorites; such as, Claire Voyant, Kerry Drake, Honey and Hank, Bugs Bunny, Nancy, and others.

Outstanding Post columnists John Griffin, Witton Vaughn, and James Colbert provide up-to-the-minute behind-the-scenes news and comment on world, national, state, and city politics, and in business and finance, the Sunday Post presents two of New England's most competent analysts in John J. Carey and B. J. Hughes.

With such well-known feature writers and top newsmen as Lester Allen, John Mannion, Warren Carberg, John Kelso, and a long list of others, the Greater Boston Sunday Post will take its rightful place at the top among the nation's leading Sunday papers, with "Always The Big News First".

The annual March of Dimes to help the fight on infantile paralysis, that dreaded disease which strikes down the weak and the strong alike, officially comes to a close today.

It would be nice to report that the campaign has been successful in Arlington. However, this would be gross exaggeration since a very large percentage of dime cards which were mailed to Arlington citizens early in the drive have yet to be returned to the local committee. We are inclined to believe that the lack of response is not deliberate but is largely due to procrastination or oversight. No doubt, most of the dime folders mailed to some 10,000 families in Arlington are still in desk drawers, their recipients fully intending to fill the cards with dimes or to insert a bill in the folders before mailing them back. A similar condition is reported in other communities this year.

This is the 10th birthday of the National Foundation for Infantile Paralysis. It should be an added incentive to help this organization which has done such remarkable work to help polio patients.

There has been no letup by the disease. There must be no letup in the fight against it. No one knows what lies ahead, or where and for how long polio may strike in years to come.

After ten years, the National Foundation for Infantile Paralysis has won the heart of every American by its championing of the cause of polio victims. Without considering age, creed, color or race, the National Foundation has earned the confidence of all by its help for patients afflicted by this widespread disease.

The National Foundation helps pay the bills that pile up for the families of infantile paralysis patients. It sees to it that the best available medical and hospital care is provided. And—so important in the long view—it is sponsoring extensive programs of research and technical education. Research is gradually narrowing the field in the hunt for the complete answers to infantile paralysis and it will be simply a matter of time before those answers are at hand.

All those activities are expensive—the cost, for example, of caring for patients of the 1946 epidemic, will total \$30,000,000, excluding this year's toll. Polio patients need YOUR dimes and dollars. YOU need the satisfaction of giving. So, let's give generously, and join the MARCH OF DIMES.

PLEASE return your March of Dimes card today.

TIP YOUR HATS, KIDDIES

Many of the teen-agers of the town have come to regard their parents as doddling old idiots in recent years. It seems that Pa and Ma (the dopes) don't know a down beat from an up beat; can't tell the difference, if any, between the cooing of Frankie Sinatra and Vaughan Monroe; and labor under the impression that boogie woogie is some sort of breakfast food.

But, as of today, the worm has turned. Pa and Ma are back in the groove and cooking with all four burners. They can not only hum the music of two of the song hits of the day, but can actually sing all the words as well.

The song hits are: "I'm Looking Over a Four-Leaf Clover", and "Bye, Bye, Blackbird", and the reason Pa and Ma know so much about them, kiddies, is that they are not new at all, but have merely been revived from the days when your parents were enjoying their flaming youth.

So from now on, kiddies, we suggest that you tip your hats to Mom and Pop and address them with more respect. It seems that many of the things you believe to be new and sophisticated are simply old stuff to them. In short, they are more hep than you think.

Roger Babson's Column

(Continued from Page One)

publication, I do not find such a statement, although it describes this cold summer of 1816. This fact might lead a reader naturally to think that a similar summer is expected in 1948.

There are many people who believe that a very close relationship exists between weather conditions and sunspots. Those who are interested in the details of such a study should write to Professor H. C. Willett, Meteorology Department, Massachusetts Institute of Technology, Cambridge, Massachusetts, or Professor H. T. Stetson, author of "Sunspots in Action", c/o Ronald Press, 15 East 26th Street, New York 10, New York. Probably there is some connection between sunspots and both crops and business which we do not yet understand. The science of all forecasting is in its infancy. Briefly the Sunspot Theory is that when "these spots are very brilliant and active, we suffer from either, or both, very hot and very cold weather. It is further true that these sunspots will be brilliant in 1948.

On the other hand, since the cold summer of 1816, when the sunspots were very brilliant, there have been many other years when the sunspots were equally brilliant and when none of the corresponding years were badly upset by weather conditions. Therefore, as a statistician, I would say that there is no existing evidence for farmers to worry about concerning sunspots, although there may be much for the radio broadcasting companies to worry about from sunspots. In short, all scientists believe that sunspots have an important effect upon the vegetation of the earth as well as upon the men and animals, — but not enough evidence exists to enable forecasts to be based thereon.

Cause of the 1816 Cold Summer

After careful study of this famous 1816 summer, I conclude that the cause of the low temperatures was the dust in the air covering the sides of the entire world. It was a year of several volcanoes in action. These might well have caused dust in the air which could shut off the sunshine. I further understand that certain other cold summers have come along in conjunction with many dust storms and other causes.

The above is not saying that 1948 may not witness a cold summer, but farmers and others will be wise to plan upon normal weather, at least so far as temperature is concerned. As to rainfall, this seems to follow a cycle and many sections of the United States are now entering a dry cycle. Crops which can prosper with little rainfall are to be preferred during 1948.

The failure of certain crops due to a wet Spring or early frost, or too much or too little rainfall, may be expected almost any year. On the other hand, as years go on, each crop failure should be less disastrous than preceding ones owing to the lessons which may be learned. The important thing, however, which all farmers and others interested in farm crops should recognize is the importance of diversification of both location and rotation so that a fair portion of the crops will come through safely whatever may happen to certain other crops.

When purchasing a Farm

Now a word of advice to those who are looking for farms, but have not yet purchased one: Get a farm in the central part of the country which is not too subject either to dry spells or wet spells. Buy a farm equally divided between upland and bottomland, with some woodland and with an independent water supply. Before making any purchase, visit the new U. S. irrigation developments in the southwest. They are worthy of careful study as the so-called "Arid" land is very very rich. The very fact that it has not had rainfall, causes it to retain the minerals and vitamins which have been largely washed out of much farm land subject to normal rainfall throughout the centuries.

LEADERS INSTALL OFFICERS

The Leaders' Association of Arlington Camp Fire Girls met Tuesday afternoon of last week in the Dallen branch library. Special guests were Mrs. Ardith Cronin, field secretary, and Mrs. Marcus Gray, chairman of the Council.

Miss Gertrude Redmond presided. A very impressive installation of the new officers for 1948 followed. They are: Mrs. Ruth C. Kuhn, chairman; Mrs. Mary Crandall, vice chairman; Mrs. Kathleen Short, secretary; and Mrs. Barbara McSorley, treasurer.

Plans were discussed for a special birthday project in March.

A social tea was enjoyed in charge of the hospitality committee, Mrs. Helen Darcy and Mrs. Esther Harrison.

Air Force Association

The next meeting of the Arlington Squadron of the Air Force Association will be held at 7:45 p. m. at the Old Town Hall across from Pleasant st., Arlington Center. There will be an entertaining movie, "Learn to Live" featuring Guy Kibbee as an angel in "Pilot's Heaven." All present and ex-Army Air Force members are invited to attend.

The 180th Field Artillery battalion, Massachusetts National Guard, composed mostly of Arlington men, led the State in the number of new recruits and was close to the top of the list in the nationwide drive held recently, the Adjutant General advised the Selectmen this week in a letter expressing the appreciation of the Military Department for the Town's efforts in the drive. The battalion exceeded its quota by almost 200 percent.

Our very best wishes for a speedy recovery to Police Lt. Daniel P. Barry, who is confined to his home on account of illness and to Robert E. Kneuper of the Arlington Hardware, who is home recovering from an operation.

Climaxing Youth week throughout eastern Massachusetts, representatives of 700 Protestant churches within a 50-mile radius of Boston, will meet at a youth rally in Old South Church, Copley Square, on Sunday at 3 p.m.

Vernon Congregational Church at Beacon st. and Massachusetts Ave. Invited guests include Gov. Bradford; Rudolph F. King, registrar of motor vehicles, and church leaders.

It appears something is to be done soon to repair the damage to the ceiling of the George H. Lowe Jr. Memorial Auditorium, a condition which, it is feared, may weaken the structure unless repaired.

The School Committee in today's NEWS is advertising for bids for the project. The project will also make possible expansion of vocational department facilities at the school, it is indicated.

Riot Caps Arlington Sextet's 3-1 Win

Wild punches flew and the tackling at one end of the Boston Arena ice looked more like football than hockey during a torrid five-minute riot which climaxed Arlington High's 3-1 decision over Newton High in the final round of the G. B. I. league Saturday afternoon.

Some 5000 fans watched the brawl which was touched off by an illegal check in the Arlington zone. When Officials Herb Gallagher and Bill Cleary finally untangled the players, five of them were sent to the penalty box with matched penalties which will keep them sidelined in the opening period of the league's playoffs on Saturday.

Penalized were Bill Fitzpatrick, Joe Shea and Tom Kelley of the Red and Gray squad, and Phil Voner and Phil Jepson of Newton.

Neither team was able to score in the opening stanza. In the second, at 8:12, Bill Leary, who again turned in a stellar performance, put the locals out front with a shot from 10 feet out.

Newton came back to tie the count in the third period. But, Ed Emery led the game for the locals when he was set up twice by Leary for two Arlington tallies in the final stanza.

The victory gave Arlington an upper-half berth in the playoffs.

In other games, Medford edged Belmont, co-leader of the league, by a 2-1 score in a hard fought game, while Stoneham and Melrose won their games.

Youth Council Studies Survey

The newly-formed Arlington Youth Council held a successful meeting at the Robbins Library Hall Tuesday evening for the purpose of presenting the fact survey made by the Council in the Senior and Junior High schools of Arlington. This survey was to ascertain the organizations and the activities, at present, of the students, and other activities in which they would like to engage. Some 3,000 students answered these questionnaires. They did so under the guidance of their teachers and that of the Guidance Department, headed by Bert Roens, president of the Arlington Youth Council. The questionnaire was prepared by members of the executive board: Roger Warner, teacher in Arlington High School; Daniel McFadden, supervisor of Parks and Recreation, and Henry E. Keenan, public relations chairman.

Organizations that have already joined the Council are: Arlington Rotary Club, Social Services League, Camp Fire Girls, Girl Scouts, Girls Club, Kiwanis Club, Touchdown Club, Lions Club, Women's Club, Zonta Club, Sachem Council, Boy Scouts and P. T. A. Council. Applications are on hand from the Friends of the Drama and the Ministers Association.

The fact survey disclosed that many of the students are keenly interested in activities already being carried on by youth organizations. It also showed that they are interested in activities not at present available because of lack of leaders. This brought to the fore the need for such leaders. Parents are urged to volunteer for this work in spare

time, even if only for a few hours a week. The Guidance Department of the Arlington High School will have on hand a list of activities where parent or other adult leadership is needed. Organizations interested in youth activities may also obtain this fact survey information from the Guidance Department.

Among those present and entering into Tuesday's discussion were: Miss Mary Leveroni, Mrs. Z. J. Kord, James Summers, Henry Otterson, Chester Duval, Mrs. Gordon R. Williams, Mrs. Joseph Peterson, Mrs. Roy McCormack, Mrs. John Stafford, Mrs. Maurice King, Joseph Quinn, George Fitzgibbons, Harold Noreen, Raymond Morrill, Mrs. Ruth Fuller, who also represented Mrs. Lucinda Spofford, librarian of Robbins Library; Mrs. B. A. Barnard, Mrs. M. F. Morrissey, James Doyle, Ernest Noring, Jr., Mrs. Marjorie Battis, H. Fleming, Mrs. Miller Lauffman, Henry E. Keenan, Roger Warner, Mrs. Chester Powers, Daniel McFadden, Mrs. Laurence Wessels and Mrs. Walter S. Cooleidge, Jr.

Other organizations officially represented were: C.Y.O., Park Avenue Congregational Church, Boys Club, College 20's, also other youth groups of the town.

P. T. A. Dancing Party

The second dancing party of the Parmenter P. T. A. will be held in the school gymnasium next Monday.

There will be a program of both social and square dancing. The square dancing will be under the direction of Mr. and Mrs. Malcolm Masters and Mrs. Vincent Burns will give instructions in social dancing.

The committee in charge includes Mrs. William Buckley, Mrs. Arthur Hughes, Mrs. Jack Donaldson, Mrs. Elliott Perkins and Mrs. Von M. Weston.

TWENTY-FIVE YEARS OF PROGRESS was celebrated by the Arlington Friends of the Drama at a silver birthday party in the clubhouse Friday evening. Standing around the birthday cake are (left to right) Curtis K. Pinkham, W. Parker Wood, Arthur W. Sampson, Mrs. David R. Kennedy, Mrs. George B. C. Rugg, Philip Burt, Mrs. John O. Matthews and Mrs. J. Herbert Mead, all past presidents with the exception of Mr. Wood who holds the office this year. (Arlington News Photo)

Compulsory First Aid Course Is Introduced at High School

Pointing the way toward increased knowledge of what to do in case of accidents, Arlington High School this month instituted compulsory first aid courses for more than 400 sophomores and junior boys.

The program, one of the few of its kind in operation in greater Boston, was planned last fall by school officials in cooperation with members of the First Aid department of the Boston Chapter of Red Cross.

Approved by Herman Gammons, principal and George F. Fusco, director of physical activities of Arlington High, six classes a day are now being taught. Girls in the high school later will be included in the compulsory program.

Instructing the courses are Al J. Spital, assistant to the director of First Aid at the Boston Chapter of Red Cross, and William Lander, physical education instructor who has been trained in First Aid by Red Cross.

In a statement to the Red Cross, Fusco said "We see the values of First Aid and Safety instruction in our schools as a vital adjunct of a well-rounded program of physical education. It has a definite place in the field."

—Rev. John Nicol Mark was the speaker at a meeting of Retail merchants of Pawtucket, R.I. on Wednesday evening. Yesterday he was the speaker at the Lawrence Rotary Club.

KENSINGTON STUDY CLUB

In spite of poor traveling conditions, the attendance at Tuesday's meeting of the Kensington Park Study Club at the home of Mrs. Franklin R. Swan was nearly 100 percent. Mrs. Elmer E. Barber presided and Mrs. Stanley R. Kingman, seventh district director, was guest.

Mrs. Fred U. Wyman introduced the program. Mrs. William K. Cook read a paper on the life of Frederick Douglas, entitled, "There Was Once A Slave." Mrs. Barber presented a paper on "Representative Negroes."

—Pvt. Patrick J. Fitzgerald, son of Mr. Edward Fitzgerald, 116 Webster st., is now at the 9th Infantry Division, Fort Dix, N. J., awaiting assignment.

Private Fitzgerald first entered the Army on August 19, 1942, prior to which time he attended Arlington High School.

Jayne's Fashion Notes

The ensemble look has been the favorite of famous fashion couturiers for many a season. Now it is fast becoming the universal byword for all women from 16 to 60.

The ensemble dress affords two costumes in one, and lends a lavish air to its lucky wearer. 'Tis particularly appropriate for wearing now, 'neath your winter furs, and for wearing well into late spring as your newest garb!

From the pages of January Glamour magazine steps "Exclusively Yours Berkeley Junior's" bid for the perfect ensemble, featured in the display advertisement of Jayne's.

'Tis a happy marriage of excellent fabric and ingenious design. The dress itself is a side draped long bodice with cap sleeves and high neckline above the sheath-slim skirt. Matching the skirt is the long-sleeved bolero with softly rolled lapels.

Sheer black rayon crepe makes up the bodice, accented by skirt and bolero in rich Canton Crepe—black with aqua or gold coin dots.

This "Exclusively Yours Berkeley Junior" is sold only at Jayne's Dress Shop in Arlington, located at 820 Massachusetts ave., in the Bliss building.

Comet Club Enjoys Supper

On Tuesday evening, Jan. 20, 26 members of the Comet Club of Calvary Methodist Church enjoyed a delicious "pot luck supper" in the vestry. Mrs. Carl Valerius acted as chairman, with Mrs. Vernon W. Littlefield assisting; and the hostesses were Miss Dorothy Hall and Miss Alma Horsum.

A business meeting followed, including reports of officers and committee chairmen, with Mrs. Everett Watt presiding. Devotions

Mrs. Ralph Kinney asked that

Birthday Party Given R. H. Pihl

A surprise birthday party was tendered Robert H. Pihl of Arlington on Saturday at the home of Mr. and Mrs. Daniel M. Hooley of Broadway.

Others present were: Mrs. Robert H. Pihl, Mr. and Mrs. Edward Callahan, Mr. and Mrs. William Dwyer, Mr. and Mrs. Henry Goodenough and Mr. and Mrs. Carl Houghton.

William Dwyer sang several solos and led the group in singing popular songs. Mr. Hooley's piano solos and accompaniment were also enjoyed. Despite the weather, the entertainment, coupled with delicious refreshments made the occasion a gala one.

—Miss Patricia M. Cannon, a member of the senior class at Burdett College, Boston, was recently elected president of the Phi Epsilon Sigma Sorority. She is the daughter of Mrs. Frances Cannon

Legion Auxiliary Entertains Council

Arlington Unit, American Auxiliary, entertained the Middlesex County Council on Saturday afternoon at Junior High East.

Mrs. Jennie Kurrus, past president; Mrs. Gladys Kiely, treasurer; and Mrs. Elizabeth Berg, past president, served the guests from a prettily decorated table, in the center of which was a large bowl of red paper poppies made by the patients at the Bedford Hospital. Mrs. Ruth McHale, district director, was in charge of the meeting and presented the guests. President of Arlington Unit, Mrs. Sophie Weslowski, welcomed the visitors and thanked her committee for the help in preparing for this meeting. Earl A. Ryder, Town Clerk of Arlington, was then presented and he too greeted the guests and spoke briefly, after which a request was made by one of the members that Mr. Ryder recite a poem entitled "Women". This he very readily did to the amusement of all.

Next came the report of the many hospital chairmen on the Christmas work done in the many hospitals in Middlesex. Mrs. Anna Buckley, department vice-president and department poppy chairman, a guest of the Council meeting, was presented. She spoke briefly on membership and then called attention of everyone to the significance of the red crepe flower made by hand by the patients confined to hospitals at Bedford and Northampton. The Poppy of the American Legion and Auxiliary is the flower of memory, whereby we honor our war dead and those who died but still live, in hospitals and for whom the war will never be over. She asked each unit to sponsor a Poppy sale drive to remind the public of those who paid the sacrifice for each of us. The money received may only be used for rehabilitation work or welfare. Patients making the poppy are encouraged when they may earn money for their families or to be used for something they need. Other guests were Chairman of the Board of Selectmen, William Adams; Post 39 Commander William McKeever, who expressed his appreciation of the fine work done by the auxiliary in the many hospitals; County Commander Edward Convery, County Junior Vice Commander Paul McGovern and Lt. Gov. of Massachusetts Girls' State, Miss Barbara Burdett of Somerville, who told briefly of her ex-

perience at Girls' National held in Washington, D. C., in August, 1947.

Mrs. Anna Buckley, who is also director of training courses, presented six Hospital Volunteer Pins to Orchid Ladies from both Cushing and Bedford. They had given more than 100 hours of service. Two Orchid Ladies from Cushing, who are eligible for their pins but who were not present, are Mrs. Louise Proudfoot of Jean Road and Mrs. Agnes Matris of Harlow st., both members of Arlington Unit, and past presidents.

PONTIAC

A FINE CAR MADE EVEN FINER!

A Product of General Motors

GM Hydra-Matic Drive optional on all models!

Today, Pontiac announces a series of notable advancements in the car that has already won the wholehearted endorsement of more than a million owners and friends.

Foremost among these advancements is the great General Motors Hydra-Matic Drive—now offered as optional equipment on all Pontiac cars. Pontiac is the lowest-priced car in the world to provide this great mechanical

masterpiece—which shifts gears automatically, and completely eliminates the clutch pedal.

Coupled with this great engineering triumph is a striking improvement in beauty and luxury. New exterior smartness extends from the new radiator grille to the streamlined rear bumper.

Interiors, too, are remarkably improved. Upholsteries are more beautiful and are expertly blended to achieve new attractiveness and charm. Instrument panels are finished in a smart design adapted from quarter-sawn mahogany—and an adroit use of chrome moulding adds a deft touch of modernity.

Engine and chassis have been refined wherever possible—but they remain, basically, the same engineering masterpieces which have become

synonymous in the automotive industry with goodness and dependability.

There are many more things we could tell you about the new Pontiac, for there are countless improvements which add to its traditional quality and value. But we feel that, for those who know Pontiac, we need only say—

—here is, by far, the most beautiful Pontiac ever built

—here is the most luxurious Pontiac ever built —here is the most dependable Pontiac ever built —and it is now available with GM Hydra-Matic Drive—*optional at additional cost.

We wish only to add that it is here—on display in our showroom—and that you are most cordially invited to see and inspect it.

Town to Act Next March

The warrant for the annual town election on March 1 and the town meeting on March 10, containing some 40 articles, was drawn up by the Board of Selectmen on Monday evening.

A referendum question will appear on the ballot March 1 when voters will be asked to accept Section 58B of Chapter 48 of the General Laws which provide for a 48-hour week for permanent firemen. A petition signed by 203 registered voters asking that the question be placed on the ballot has been filed with the town clerk.

At the town meeting, town meeting members will vote on the question of a salary increase or a bonus for town employees. This was petitioned by registered voters. Other articles petitioned by voters and on which action will be taken include:

Approval of Sunday bowling;

Appointment of a committee of five from veterans' organizations and for an appropriation to secure a design and erect a suitable tablet on the delta at Medford and Warren sts. memorializing the late Com. John Shea, U. S. Navy hero.

Two articles call for the release of two parcels of land owned by the Town to the Symmes Hospital to provide for further building expansion at the hospital.

The Committee on Advance Programming will ask for the appointment of a special Town committee to study the financial matters connected with Arlington High School activities, particular reference to the operation, maintenance and use of land and structures at Warren A. Peirce Field.

The School and Park committees will ask an appropriation for new bleachers at the above field.

The park commission will seek appropriations for acquisition of land adjacent to Symmes Pond bordering on Ridge st., land on Jason st., near Menotomy Rocks park, as well as at the corner of Medford st. and Mystic Valley parkway, for park purposes.

The School Committee will ask an appropriation for a gym, assembly hall or lunchroom at Junior High West.

Low auditorium basement.

The Town Yard committee will request an appropriation for a new building at the Town Yard.

Beta Sigma Phi

Introductions and invitations was the theme of a program presented by Miss Helen Brown of Concord at a recent meeting of the Alpha Omicron Chapter of Beta Sigma Phi. Many helpful ideas were gained through discussion of the various types of introductions and invitations and gracious use of them as applied to particular occasions.

Miss Brown, having been previously associated with Beta Sigma Phi, has been named Member Advisor of the Alpha Omicron Chapter.

YOUNG ARTISTS IN CONCERT

The Youth Concerts to be presented in February by the Philharmonic Society of Arlington under the auspices of the Fine Arts Program of the Parent-Teacher Council will not only be given for young people, but some talented young artists are helping to make the program possible.

Harris Spikes Talk He Will Withdraw

George A. Harris, candidate for the Board of Public Works, has issued in a statement released this week, said he was in the race to stay, and that "only some unforeseeable reason could force me out."

He stated, "It has come to me that certain individuals are promoting the rumor that I intend to withdraw from the contest for Board of Public Works. This is not true. Furthermore, I am not in the race as a stalking horse for any other candidate."

"Only some unforeseeable reason could force me out. Those who know my record know that I have never shirked a civic duty. I am sure that such a record, and my qualifications stand out."

"I stand for good government, efficiency of operation and fair play to all. I advocate a comprehensive study of the Public Works Department, which will eventually demonstrate savings by efficiency and economy. I urge some merging of functions with other departments thus eliminating duplication of work-effort. I ask for progress by an extension of mechanization. I shall oppose the private interests of the few and do honest work for the tax-payers. I further advocate open Board meetings as the occasion warrants and regular release of news of operations to the effect that the Town, its residents and tax-payers be fully informed."

"The Town needs a change from the stagnated conditions of today. I promise a new and vigorous approach to the situation that will react to keep down the tax rate. I further promise to voice my convictions rather than keep silent."

Says the Boston Sunday Globe: "When Marshall Hoyt, Jr., 16 Temple st., Arlington, overheard his father read to his grandmother, Mrs. Helen Hoyt, the headline of the Evening Globe, 'A Foot of Snow Predicted,' and then commented, 'I don't know where we are going to put it,' the 3-year-old child chimed in: 'Gee, Daddy, someone ought to tell God we are all full.'"

And then there was the weary snow shoveler who wise-cracked, "See those black spots all over the snow? They're broken bits of Bing's record, 'I'm Dreaming of a White Christmas.'"

Hats off to the lady who has been
